## The **ULTIMATE** BBQ Apron

Everything you could ever want from a BBQ apron.

Exclusive product from The Cooks Friend Company.

Made in the UK from 100% cotton drill.

**\*\*\* More information on our website \*\*\***

Whether you're **King of the BBQ**, the **BBQ Boss**, a **Grill Master** or even **007 Licensed to Grill** this is the apron for you.

**We can even personalise it with our "Put what You Want" embroidery service.**

Order online at our fully secure website. [www.thecooksfriend.co.uk](http://www.thecooksfriend.co.uk)

## The Retract-O-Matic Gadget

Gadget slips into pocket

Retractable chain comes out of the pocket eye  
(Here attached to Glove)

The retract-o-matic gadget allows you to attach the special HandyMitt glove, normal oven glove, bottle opener etc. to a retractable chord.

The chord extends to a length of 85cm.

**Whatever is attached is always ready for use and never leaves your side!!**

## HandyMitts Oven Glove

Oven glove. Made from 100% Cotton.  
Specially designed for use with the retract-o-matic gadget.

Conforms to the BS 6526:1984 British Standard Specifications for Domestic Oven Gloves. Heat protective padding on both sides with steam/grease barrier.

Can be used singularly or as a pair.

Same glove for left and right hand.

**Size: 32x18cm**
